USA

CQ CA AWARD

General

1. The award is available to licensed amateurs and swls (on a "heard" basis).
2. There are no date limitations.
3. Do not send QSL cards. A special record book is required for this award and room is provided in the book for certification.
4. The record book for this award (United States of

America Counties Award) is available from *CQ Magazine*, 76 North Broadway, Hicksville, NY 11801, USA for a small fee.

5. The award is issued to the amateur and not to the callsign. Any number of callsigns and locations may be used.
6. The fee for the award is \$5 or 25 ircs.
7. The address for applications is:
Ed Hopper, W2TP,
Postbox 73,
Rochelle Park,
NJ 07662,
USA.
8. Do not send applications to *CQ Magazine*.

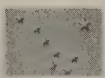

Rules

The identity of a county is determined by the official USA publication POD26. (Many awards managers hold this publication). If the county is not printed on the QSL card then the county is determined by the address on the card or, in the case of mobile stations, by the postmark on the card.

A number of cities in the USA are called "Independent Cities" and are not part of any county. This applies specially to the State of Virginia. Cards from these Independent Cities count for any *one* of the adjoining counties and *once* only. This means that all QSL cards from Washington DC may be counted *either* for Montgomery Md or Prince Georges Md or Arlington Va. (See list of such cities together with their counties.)

Rules

The ARRL DXCC Country List (see under ARRL DXCC) is used to determine a country *except* that "deleted" countries do *not* count for credit.

Endorsements will be given if all the contacts are made on 28MHz or if all are made on a combination of 3-5/7MHz.

Requirements

The basic award is available for confirmed contacts with 100 different countries. Seals are given for 150, 200, 250, 275, 300 and 320 countries. The fee for these is \$1 or five ircs.

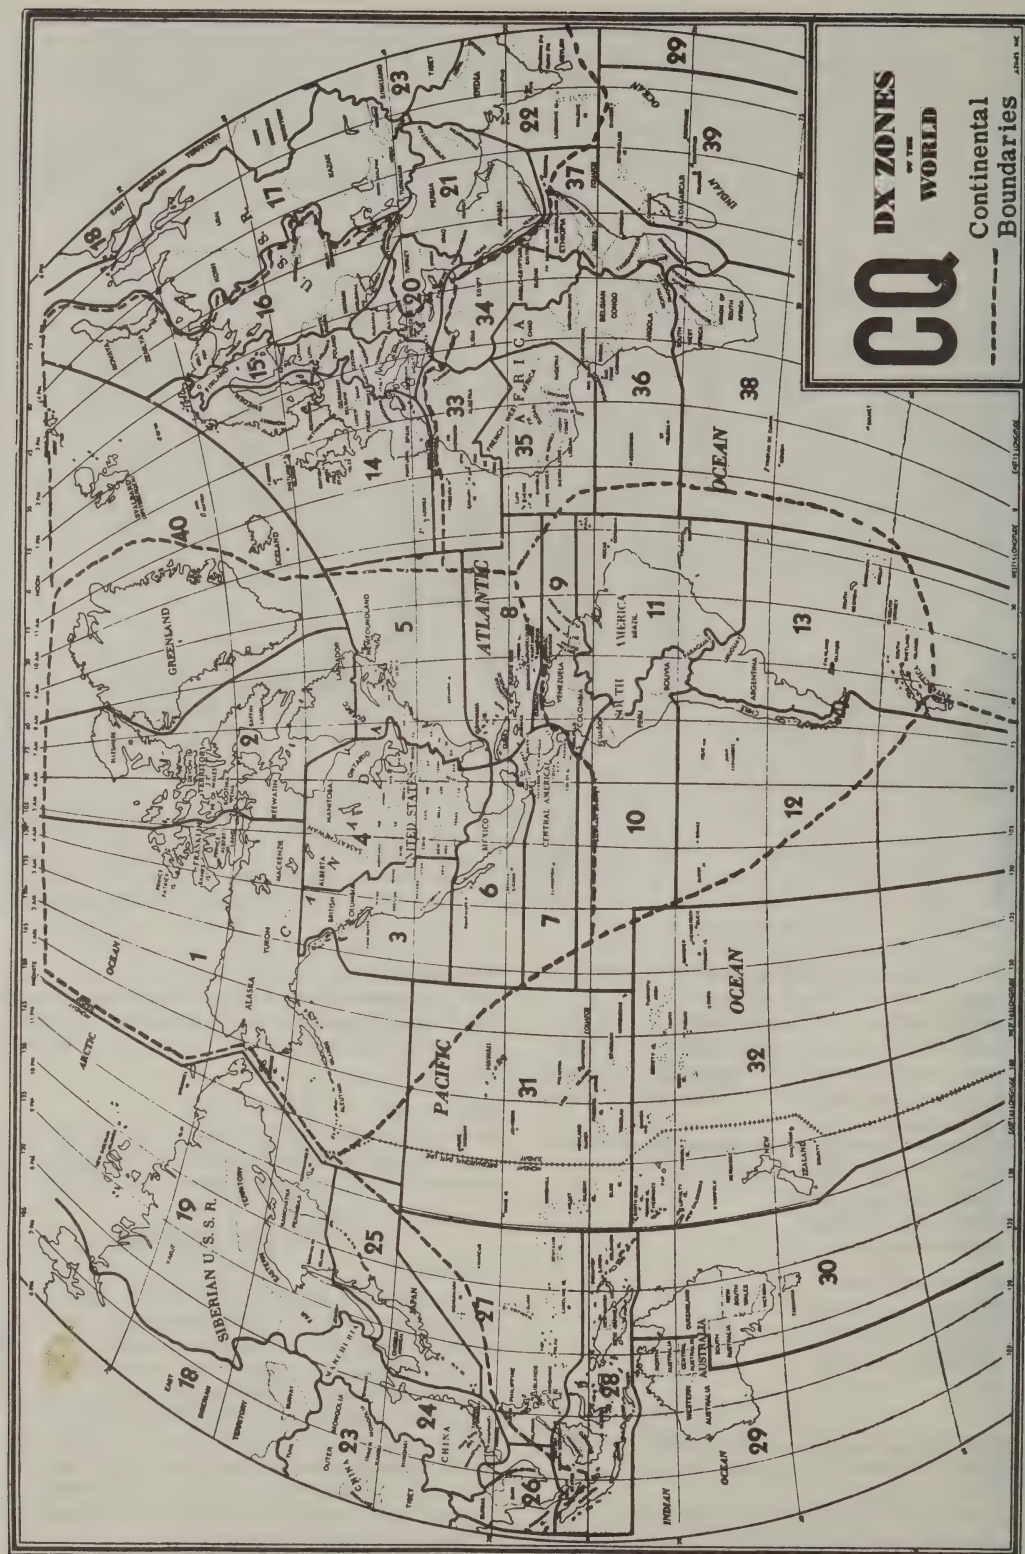

Honour roll

A special honour roll is maintained by the awards manager for confirmed contacts with 275 countries. To remain on the roll a station must update its totals annually.

CQ WAZ AWARD

General

1. The award is available to licensed amateurs.
2. Contacts on and after 16 November 1945 are valid.
3. QSL cards should be forwarded to the official *CQ Magazine* check point within the applicant's country, with sufficient postage for the return of the cards. The official check point in the UK is G3FKM.
4. All contacts must be made from the same country.
5. The award is issued for all cw, all phone, 2 × ssb and mixed modes. If a specific mode is requested in the application then the mode must be clearly marked on all the QSL cards submitted.

DXCC AWARD

General

6. A zone map and application form is available from G3FKM for a large sae or direct from *CQ Magazine*, 76 North Broadway, Hicksville, NY 11801, USA, for a large addressed envelope and one irc.
7. The fee for the award is \$5 or 25 ircs.
8. The address for applications is:

L. Haijsman, W4KA,
1044 SE 43rd Street,
Cape Coral,
Fla 33904, USA.

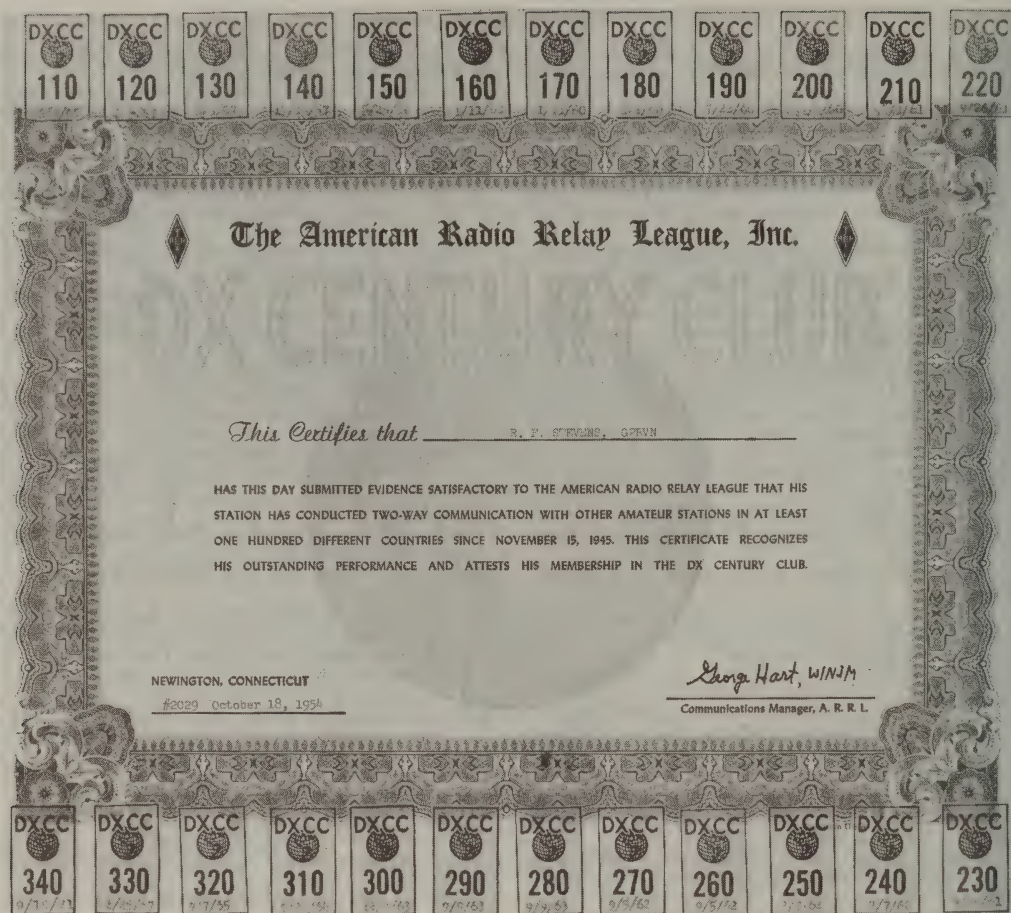

Requirements

Confirmed contacts are required with *one* station in *each* of the 40 zones.

Note

A single-band WAZ is available for all contacts after 31 December 1972, provided all contacts are in the same mode, ie 2 × ssb, all cw, and rtty.

1. The award is available to licensed amateurs.
2. Contacts on and after 15 November 1954 are valid.
3. QSL cards or other written documents showing evidence of contact must be submitted with the application, which should ideally be on the form available from the sponsor for a large addressed envelope and one irc.
4. Sufficient postage must be enclosed with the application to cover the return of the QSL cards. The postage may be in the form of an irc or international money order. ARRL always returns surplus monies.
5. Special rules regarding the annual ARRL DX Contests and QSL cards apply to amateurs in Canada and the USA only.
6. All contacts must be made from the same location—the “same location” being taken to mean within a radius of 150 miles (240km) of the original location.
7. The award is issued for cw/phone/mixed/rtty/160m.

Contacts for the cw DXCC must all have been made since 1 January 1975.

8. A current list of valid countries is available from ARRL for a large stamped addressed envelope and one irc.
9. There is no fee for the award. Cards can be returned via US Postal Services (ie parcel post), registered post or ordinary mail. Contact ARRL for rates. Membership of ARRL for USA, Canada and Puerto Rico amateurs is obligatory for applications for DXCC and return postage is required—see above.
10. The address for applications is:

ARRL,
225 Main Street,
Newington,
Conn 06111, USA.

Special note

Rule 11 of DXCC states (in part) "Any altered or forged confirmations submitted for DXCC credit will result in the disqualification of the applicant . . ." The word "altered" means any alteration, even if made by the originator of the QSL card. No alteration whatever is acceptable.

Requirements

The basic award is for confirmed contacts with 100 countries listed in the ARRL countries list.

With the exception of the 1.8MHz and rtty DXCCs, confirmations from additional countries may be submitted for further credits (*for accredited totals between 100 and 240* in groups that will, at least, bring the new total to between 240 and 300, in groups that will at least, bring the new total to a number divisible by 10; *for total accredited countries over 300* in groups that will, at least, bring the new total to a number divisible by 5). Endorsement stickers for affixing to certificates will be awarded as additional credits are granted. These stickers will be in exact multiples of 10, ie 110, 120, 130, between the 110 and 300 levels and in multiples of five above the 300 level. *Exception:* Once per year, any DXCC participant having an accredited DXCC total of 250 or more may make a submission without regard to the number of cards submitted.

ARRL also issues a five-band DXCC for confirmed contacts with 100 countries on each of five separate bands. A standard application form costing \$20 is available from ARRL. The \$20 covers the cost of returning the 500 QSL cards and providing a plaque. Only QSL cards dated on and after 1 January 1969 are valid for this award.

SATELLITE 1000 AWARD

General

1. The award is available to licensed amateurs.
2. Contacts on and after 15 December 1972 are valid.
3. QSL cards must confirm two-way communication via Oscar satellite.
4. The fee for the award is \$2 for ARRL members and dx applicants, and \$3 for WVE non-members. The fee covers the return of the QSL cards.
5. The address for applications is:

ARRL,
225 Main Street,
Newington,
Conn 06111, USA.

Rules

Only one contact per station, regardless of mode.

Requirements

1,000 points are required. Each contact with a new station counts 10 points; each contact with a new country counts 50 points; each contact with a new continent counts 250 points.

WORKED ALL STATES

General

1. The award is available to licensed amateurs.
2. Contacts made over a number of years are valid with the exception that contacts with Alaska are valid on and after 3 January 1959 and with Hawaii on and after 21 August 1959.
3. QSL cards or other written documents showing evidence of contact must be submitted with the application which should, ideally, be on a form available from the sponsor for a large addressed envelope and one irc.
4. Sufficient postage must be enclosed with the application for the return of the cards. It is suggested that first class post, registered if thought necessary, be used. The postage may be in the form of ircs or an international money order. ARRL always returns surplus monies. For postal rates see DXCC postage.
5. Contacts must be made from the same location—the "same location" being taken to mean within a radius of 25 miles from the original location.
6. The address for the application is:

ARRL,
225 Main Street,
Newington,
Conn 06111, USA.

Rules

The District of Columbia (DC) may be counted as Maryland.

Requirements

One confirmed contact is required with each of the 50 States.

ARRL also issues a five-band WAS for confirmed contacts with all 50 States on five bands. A standard application form costing \$10 is available from ARRL. The \$10

WPX—VPX

General

1. The award is available to licensed amateurs and swls (on a "heard" basis).
2. Contacts on and after 16 November 1945 are valid.
3. QSL cards are not submitted. However, the application must be made on a special form which is obtainable from the DX Editor, Postbox 205, Winter Haven, Florida 33880, USA for a large addressed envelope and one irc.
4. Separate forms must be used for each endorsement—see below.
5. The fee for the award is \$5 or 25 ircs. A self-addressed envelope and one irc is required for endorsements.
6. Be sure to state on the application whether the claim is for all cw, all phone, 2 x ssb or mixed modes.
7. The address for applications is:

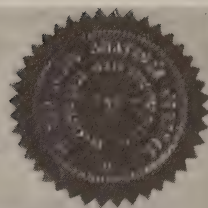

Bob Huntington, K6XP,
5014 Mindora,
Torrance,
Calif 90505, USA.

Rules

Definition of a prefix. The two or three letter/numeral combinations at the beginning of the callsign will be the prefix. Any difference in the lettering/numbering is considered as a new prefix: W2, WA2, WB2, WN2 and K2 are different prefixes. A suffix only counts if it is the normal suffix for the area. W4ZZZ/KP4 counts as KP4 because KP4 is a normal call for the area. KP4ZZZ/7 does *not* count as KP7 because KP7 is *not* a normal call for Puerto Rico. Suffixes like /M, /P, /A etc do not count. All callsigns without a number are given an arbitrary 0. RAEM is RA0, UPOL

CQ

The Editors of
The Radio Amateur's Journal

take pleasure in certifying that
John Allaway
operating amateur radio station
G3FKM

has presented proof of contact with 300 amateur radio stations, each having call letters with a different prefix, each prefix normally indicating a different geographical area of the world.

In witness thereof the editors of CQ
have affixed their seal and caused this
certificate to be signed by two of
their number this 5th day
of July, 1962

Award No. 72

PHONE

A.S. Thompson, W2DTJ
Editor

DX Editor

Walt LeFevre

is UP0 and W4ZZZ/LX is LX0. Where countries have changed callsigns and prefixes (such as ZS9 to A2) then both prefixes count.

Applications. All call letters must be in strictly alphabetical order and clearly legible.

Requirements

Basic award. Prefixes—mixed modes 400, phone 300, ssb 300, cw 300. Stickers are available for each additional 50 prefixes. The fee is \$1 or 5 ircs.

Endorsements are available as follows:

Band prefixes. 1-8MHz 35, 3-5MHz 150, 7MHz 250, 14MHz 300, 21MHz 300 and 28MHz 250.

Continental prefixes. North America 126, South America 88, Europe 146, Africa 80, Asia 68 and Oceania 51.

WPX Honour Roll. A special honour roll is maintained by the awards manager from whom an up-to-date list of valid prefixes is obtainable. Special prefixes (GT, 4A, OF etc) are only considered valid for the year of use and five further years. They are then deleted and deducted as credit. A special application form is available from K6XP for a large addressed envelope and one irc.

R-150-S AWARD

General

1. The award is available to licensed amateurs and swls (on a "heard" basis).
2. Contacts after 1 June 1956 are valid.
3. This award can be issued without application or QSL cards upon request, provided a log extract (certified by the awards manager of a national society) is submitted with the application.
4. The award is issued for all cw or all phone.
5. The fee for the award is one rouble or 14 ircs.
6. The address for applications is:

Central Radio Club,
Box 88,
Moscow,
USSR.

Rules

Where a country has changed prefixes *either* prefix is valid.

Where a country is not mentioned, then it counts for that country to which the territory belongs—CEO for Easter Island counts as Chile.

Requirements

Confirmed contacts are required with 150 countries and must include 15 Union Republics of the USSR (UB, UC, UD etc).

An up-to-date USSR countries list is obtainable from Box 88, Moscow for one irc.

Yugoslavia

WORKED ZAMBIA AWARD

This is to Certify that
John Allaway G3FKM
has demonstrated the efficiency of his station by making contacts
with 9 amateur radio stations in the Republic of
Zambia, using the 3.5.142128 band(s). Mode CW

Certificate No. 81

Date 19 Feb 71

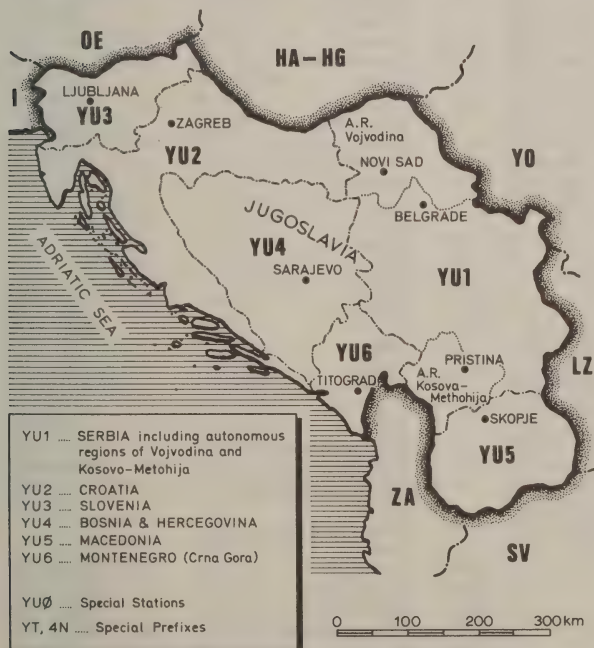

Don Sargent G5LXZ
Awards Manager

RADIO SOCIETY OF ZAMBIA

European stations require confirmed contacts with three stations in each of the six republics.

Other stations require confirmed contacts with two stations in each of the six republics (see map below).

In each case at least two bands must be used.

Zambia

WORKED ZAMBIA AWARD

General

1. The award is available to licensed amateurs and swls (on a "heard" basis).
2. Contacts with 9J2 and other prefixes in Zambia are valid.
3. Do not send QSL cards. A list giving full details of the contacts should be certified by the awards manager of a national society.
4. Separate classes of the award are available—all cw, all a.m., 2 × ssb and mixed modes.
5. The fee for the award is \$1 or seven ircs.
6. The address for applications is:

Awards Manager RSZ,
 Daniel Soko,
 Box 1831,
 Ndola, Zambia.

Rules

Each 9J2 station counts as *one* point on 7, 14, 21 and 28MHz. Each 9J2 station counts as *two* points on 1.8 and 3.5MHz. Other prefixes count double points. The same station may be worked on different bands.

Requirements

Stations in *CQ Magazine* zones 36, 37 and 38 require 20 points. All other stations require 10 points.

APPENDIX

Callsign list

This list is intended to help in determining the country, zones and true bearing of a station from its callsign. The bearing information is based on London, England.

The prefixes given are those for standard stations; special stations may use other prefixes although these should nevertheless conform with the ITU allocations given in the first column.

The country given on the same line as an ITU allocation is the holder of that allocation.

Certain countries encompass more than one zone; separate countries corresponding to each zone are therefore given on successive lines. Reference to the CQ and ITU zone maps should enable the correct zone to be ascertained in cases of doubt.
